do you know if amina is in today? I haven't heard back from her. Should we still meet if she is not available?

According to the Calendar, staff are available tomorrow morning, so we have reserved 10-11:30 to continue our discussion of the non-behavioral health hybrid measures. Rebecca will be calling in; Amina and Ella, would you prefer to call in, or I can try and locate a room?

Please let us know if you will be available.

Thanks,
Susan
